THE SCHOOL'S PART IN THE WAR EFFORT

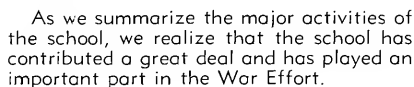

Since the outbreak of the war, the school has become a vital channel through which our country and government is able to solve many of its pressing problems. Our school's participation in these problems has been an immense help in the war effort.

Soon after the beginning of the school year, the government sent out a challenge to all schools to collect enough scrap to meet the demands of our war needs. With the help of State, County, and local trucks, our school drive covered the entire school district and was a great success, having collected 125½ tons of scrap. Simultane-

ous to this drive the girls conducted a U.S.O. Campaign in which they canvassed the town in soliciting contributions for the U.S.O. The returns from this campaign amounted to a total of \$400.46.

The G.R. girls supervised the job of gathering clothing through out the school district and the town for refugee children and for the poor children who live in the Southern Appalachian Regions of the United States.

In addition to the regular courses many new courses have been supplemented to train and give students a first class knowledge of various classes of war work as soon

TO THE SENIORS

In the "Ordinance of 1787," the governing document of the "North-West Territory," we find this immortal sentence: "**Religion, morality, and knowledge**, being essential to **good government** and the **happiness of mankind**, schools and the means of education shall forever be encouraged." This sentence not only summarizes the political ideology of the time, but clearly outlines the aims and importance of education in the Democratic Philosophy.

The "Mad Dog of Berchtesgaden" has built a regime on the notion of race superiority and the tenet that people exist solely for the glory of the state, and incidentally, their rulers. Human rights, religious rights, and political rights are non-existent by Doctrine—except in the nebulous future when all other races have been reduced to slavery.

It is inevitable that such incompatible philosophies should be engaged in a global war of annihilation—which must destroy one or the other. We have no choice but to pay the price of victory—in casualties, in effort, in inconvenience, and in suffering.

But after the war is won, then what? Winning a war cannot preserve ideals or establish principles! It can only give them another chance! Our forefathers were perhaps wiser than they knew when they wrote ". . . schools and the means of education shall forever be encouraged."

CUSTODIANS

This year the school employed the services of two new custodians, Mr. and Mrs. Norman Richardson, who took the place of two very capable custodians, Mr. and Mrs. Carl Hannum. Mr. and Mrs. Hannum, who are now employed in war work, were with us for years. The new custodians are assisted by Mr. and Mrs. "Tip" Stevens, who have also been on the job for years. The seniors wish to express their appreciation for the services of these custodians.

BUS DRIVERS

The regular bus drivers for this year are: William Binau, Robert Bolish, Robert Feely, Dale Gottfried, Howard Omler, Neil Osborn, Ward Spitler, Lester Stansbery, (not pictured), and John Wall. They are to be commended for their efficient service.

A number of the above drivers were drafted or transferred into war work.

* Due to this fact a greater number of substitutes were needed. These substitutes are: Irvin D. Tschantz, L. J. Rakel, and Alva Smith.

THE HISTORY

September, 1939, found us 94 strong under the leadership of Miss Ann Alban. On December 1, we held our first social function of the year, a class party with all the trimmings.

At last! After 10 long years we had reached Sr. High School, Upper Classmen recognized in Scholarship and deed in the classroom and on the field. Miss Neumeister guided us, directing our Sophomore officers and class. The gold star event of the year's activities, socially, was the Thanksgiving Party on November 29. The success of this venture was evident in the pleasurable event of the evening.

Mr. Wolfe and Mrs. Tucker assumed sponsorship of our Junior class and led us to the completion of a profitable year, financially and socially. Our men upheld the traditions of U.S.H.S. on the gridiron and hardwood, while our feminine charms sold the 'goods' responsible for financing the feting of the departing seniors in a

Junior-Senior Prom. Highlighting the year's activity was the first Junior Class play in three years, "What A Life."

We have now reached the top rung of the ladder to High School success, seniors. Miss Stearns and Mr. Assenheimer were jointly in charge of our class. The party of the year, as a class, celebrated All Fool's Day in a hilarious and entertaining manner, dancing to the music of our own U.S.H.S. 'Swingaroos.' On May 21, the Juniors entertained us royally with a prom. The presentation of "Hot Water Henry" crowned the glories of Senior activities on April 16.

In every sport, every class, every social event of the past memorable four years the names of the members of the class of '43 will be outstanding. We leave this book as a parting token of remembrance and take this opportunity to express our appreciation to all those responsible for our success.

The best of luck to you future graduating classes of our Alma Mater, U.S.H.S.

JUNIOR-SENIOR PROM

The Juniors entertained the Seniors, Faculty, and Board of Education at the annual spring Prom on May 21, as a farewell courtesy for the Seniors. The auditorium was transformed into a garden, with flowers, birds, and a fountain lending charm to the setting. An orchestra provided colorful entertainment for an evening, which will long be remembered for its gaiety and exquisite beauty.

JUNIOR CHORUS

AND JUNIOR BAND

The junior chorus and the junior band are the school's organizations which give its younger students a chance to study and receive the experience and training required by our senior musical groups. The chorus and the band have given concerts during the year at which time they were favorably received by the public. These groups should be highly praised for their interest and work. They are the musicians who will soon step into the places left by our class in the senior chorus and band.—Borboro Bowmon.

SENIOR BAND

The most glamorous group in the school is the senior band. This organization met three times a week to practice with Mr. Assenheimer. Much has been accomplished this year.

The band did not travel with the team this season but it was on hand for all our home games in full regale. What more can we ask

than to see a band come majestically down the field executing many difficult maneuvers?

Yes—the school would be minus a great asset if it hadn't had this organization. We all realize the work it did and we take off our hats to this enthusiastic group.

ORCHESTRA

The orchestra is not only an organization which functions to please others, but its purpose is to bring happiness and pleasure to those who comprise its membership.

This group of young musicians played at many school assemblies under the capable leadership of Mr. Assenheimer.

On two days a week, Tuesday and Thurs-

day, it met in the auditorium to hold its rehearsals. Many pleasant and instructive hours were spent there in preparation for the orchestra's public appearances.

War conditions made trips and festivals impossible, but nevertheless the thirty members worked toward their goal of perfection.

HI-Y

The Hi-Y is an organization of the high school boys which is affiliated with the Y.M.C.A. The purpose of the club "is to create, maintain, and extend throughout the school and community high standards of Christian character."

An election of officers was held at the first meeting. Tom Strasser was elected President; Jim Bickham, Vice President; Franklin Smythe, Secretary; and John Kail, Treasurer. Mr. Tschantz was the advisor.

The Hi-Y took part in a few social events of the year. The annual Rabbit and Pheasant Banquet was held with the G.R., which has become a custom of the Hi-Y and G.R. in the past years. The Hi-Y and G.R. held a wiener roast at Eagle Park and closed the year with a party at the School House on May 7th.

The Seniors of the Hi-Y want to wish the fellow Hi-Y members Good Luck in continuing the work of the Hi-Y in the years to come.—Franklin Smythe.

GIRL RESERVES

"To do our part" is the goal for which the Girl Reserves have strived during the year. Mrs. Tucker, our advisor and Miss Hull, our assistant advisor, capably aided each girl "to find and give the best" and "to face life squarely." The officers for the year were Jeanne Crum, president; Laura McClain, vice president; Pauline Curry, secretary; and Alice Bowman, treasurer.

The most outstanding activity carried out by the G.R. was the Bundle Day. The members gathered clothing from the citizens of the community. This clothing was sent to needy children of the mountain regions or to our needy allies.

Other activities included the annual Gypsy Hike; a Hard Times Party at which the Sophomores were initiated; the Formal Induction; a Victory meeting; the annual Vesper Service, which was held at the Presbyterian Church; and a party in honor of our mothers.

The departing Senior members wish the Girl Reserves more power and strength during the coming year. May you receive the encouragement that we have from the organization.—Joyce Swartz.

GIRL RESERVES

SENIOR CHORUS

"Where there's a will, there's a way" as the saying goes. No times was scheduled for the chorus in our regular curriculum but some fifty students persuaded Mr. Assenheimer to conduct a rehearsal at noon on Mondays, Wednesdays, and Fridays. This meant cutting their lunch hour short but the sacrifice was willingly made.

The usual festivals were not held this year but the chorus presented many numbers at programs throughout the year.

The school is proud to have so many of its students interested in this organization. It believes this group has set a high standard to be maintained by its future members.

BARBARA BOWMAN

FUTURE FARMERS OF AMERICA

The Upper Sandusky F.F.A. Chapter has completed another very successful year under the advisorship of Mr. J. L. Borton, who is also the agriculture teacher at Marseilles. Mr. Borton took the place of Mr. S. C. Cashman who was drafted into the service.

The Chapter's officers for the year were: President, Bernard Rall; Vice President, Eugene Scheck; Secretary, Franklin McClain; Treasurer, Harold Gilliland; Reporter, Melford Swinehart; and Student Advisor, Robert Clinger.

The officers elect are: President, George Moll; Vice President, Harold Gilliland; Secretary, Richard Coons; Treasurer, Eugene Plott; Reporter, Richard Courtad; and Student Advisor, James Leslie.

Some of the important activities carried out through the year were: sponsoring the sale of bonds and stamps, exhibiting at the Junior Fair, having an F.F.A. Day, putting on a radio broadcast, corn husking contest, conducting a Pest Hunt, participating in Parliamentary Procedure Contest, repairing machinery, and other similar activities.

The graduating seniors wish the Chapter the best of luck, and hope the Chapter will complete many more successful years.—Bernard Rall.

U. S. H. S.

CHEERLEADERS

Barbara Bowman and Ruth Withrow have completed another successful year as cheerleaders. Beginning in their Freshman year they have proved themselves worthy of the honor of cheerleading during their four years of high school. They deserve a lot of credit for keeping up the School Spirit and helping our teams win.

This year they were capably assisted by Harriet O'Brien, Joan Weiker, James Seims, and Dean Carr.

These cheerleaders have made our pep meetings interesting by planning stunts and selecting various students to enact them. They have also taught us many new cheers.

It was they who decorated the goal posts for the football games and led the snake dances.—By Laura McClain.

BOY'S PHYSICAL EDUCATION

SENIOR G. A. A.

JUNIOR G. A. A.

BOYS' PHYSICAL EDUCATION PROGRAM

Our Physical Education Program has been divided into three types of class period activities: Teams, Individual and Group performances.

Our program has been altered to fit the needs for boys—to provide not only recreation, but skills and contests to enable the boys to create and possess agility, self-protection, and to be physically fit—come what may. The physical education class work consisted of the following: Fundamentals of Football and Basketball, Marching, Calisthenics, Tumbling and Gymnastics, Volleyball, Boxing, Wrestling, Obstacle Races, "Commando" Basketball, Track & Field Events and Softball games.

In direct contact with our physical education classes is the Intra-Mural Sports Program. The Intra-Mural Board was elected at the start of the school year and the boys have directed and controlled the program very effectively. The fundamentals of various sports are instructed and practiced within the P.E. classes, then the activity is moved to the Intra-Mural program for a continuation of the sport. Here one can find the opportunity to gain a proficiency in a desired sport. The program offers many recreational noon-day periods, thoroughly enjoyed by all. Our 1942-43 program included: Touch Football, Basketball, Boxing, Volleyball, Track and Field Events, Ping-Pong, Horseshoes, Softball and Tennis.

GIRLS' PHYSICAL EDUCATION PROGRAM

The girl's physical education department had a very full schedule this year. Because of the enthusiasm and interest shown for the various sports we organized a Junior and a Senior Girls Athletic Association to further the intramural and class program. Softball, basketball, volleyball, ping pong, shuffleboard, bicycling, open road, and calisthenics were a few of the sports offered. The program endeavored to secure personal development, appreciation, skills and attitudes that make for self-expression play, recreation and wholesome use of leisure time.

This program is not only valuable to the student while she is in school, but it is a great asset to her even after graduation, as a citizen of her community, state, and nation.

Bustin' With Pride! ★

We're mighty proud of an association with yours and other leading schools which, as makers of plates for quality printing, goes back many years.

Yes, we're proud to salute you for your splendid response and whole-hearted cooperation with national, state and local agencies in this war emergency.

What's more, we're proud to say that we, too, have gone to war. For the same skill, experience and facilities—responsible for a distinguished peacetime record in the field of photo-engraving—are today also serving the government in important war production.

Carrying On...

In this War period as in Peace time . . . The Gray Printing Company is "Carrying On"! War Economy has demanded many unusual types of printing, and releasing many of our men to the Armed Forces has resulted in major changes in our organization . . . At the same time we are trying to maintain the

best in quality and skilled craftsmanship, which has been an unwritten trademark of The Gray Printing Company for fifty-five years.

You will continue to receive from "Gray" this quality and service so far as it is possible under existing circumstances.

ANNUALS FOR MORALE

MORE THAN EVER BEFORE in the past twenty-five years is there a genuine need for a Yearbook. Very often annuals are the only substantial source of pictures and activities in which former students participated. It is a history of

four years that will prove invaluable to the families and sweethearts of the boys who are serving in the Armed Forces. We are proud to have had the privilege of being a part in the planning and execution of this fine book.
